ELA/ELD STANDARDS CORRELATION MATRIX FOR
SUPPLEMENTAL ELD MATERIALS**

AB 1802 requires that "the department shall develop a correlation matrix that shall be used to determine if the instructional materials correlate to the standards adopted by the State Board of Education". Therefore, if an LEA or County Office of Education is planning to purchase your instructional materials you will need to submit a Cover Sheet for every program to the Department of Education by March 7, 2007. This information will be used to review materials that have been requested by a LEA or COE.

American Civics and Government is an integrated series of print and electronic resources designed to provide a complete classroom solution for all students. Each chapter and lesson in the student book contains literacy strategies and activities to help engage students in the learning process, provide opportunities for group and partner learning, and enhance English language acquisition.

American Civics and Government incorporates the National Standards for Civics and Government. The foundation of U.S. government is taught, as are each of the branches of government. Additionally, civil liberties, civil rights, public policy, participatory government, and comparative political and economic systems are extensively included. Each chapter includes a lesson on participating in government and a skill builder. *American Civics and Government* has been approved by the California Legal Compliance process and has been the curriculum choice of English Language Learner programs throughout the State of California.
