ELA/ELD STANDARDS CORRELATION MATRIX FOR
SUPPLEMENTAL ELD MATERIALS**

AB 1802 requires that "the department shall develop a correlation matrix that shall be used to determine if the instructional materials correlate to the standards adopted by the State Board of Education". Therefore, if an LEA or County Office of Education is planning to purchase your instructional materials you will need to submit a Cover Sheet for every program to the Department of Education by March 7, 2007. This information will be used to review materials that have been requested by a LEA or COE.

Program Description (Not to exceed two pages):

World History is an integrated series of print and electronic resources designed to provide a complete classroom solution for all students. The Student Edition, Student CD-Rom, Annotated Teacher's Edition, and the Teacher's Resource Binder were designed to provide social studies content through research-based instruction for English Language Learners and diverse learners. Each chapter and lesson in the student book contains literacy strategies and activities to help engage students in the learning process, provide opportunities for group and partner learning, and enhance English language acquisition.

World History incorporates the National Council for the Social Studies (NCSS) high school thematic strands and begins with prehistory and continues into the 21st century. Case studies provide teachers an opportunity to expand chapter topics and incorporate issues that face citizens around the world. *World History* has been approved by the California Legal Compliance process and has been the curriculum choice of English Language Learner programs throughout the State of California.
