Effective communication requires an understanding of purpose and audience, and reflects well-developed ideas using appropriate conventions of genre, content, form, style, voice, and mechanics.</i>

<p>STRAND 4: LANGUAGE</p>	
<p><i>Language is an evolving tool with powerful personal, cultural, economic, and political implications. Knowledge of the structures of language (e.g., the history, meaning, and use of words; varying sentence structures and patterns of language; the conventions of standard English) is essential for the effective use of language for varying purposes (e.g., the development of a rich vocabulary, sentence structures for different rhetorical purposes, appropriate speech patterns for different social contexts). Understanding the political implications of language use is also critical for fostering a democratic society in which all voices are valued.</i></p>
