

Students with Special Needs Questionnaire

Directions: Answer the questions in the space provided, and then return this questionnaire to your instructor at the beginning of the next class. This questionnaire will help your instructor provide you with learning tools and a learning environment that best suits your needs.

1. Would it be helpful for you to have a student assistant or other students help you with
 - interpreting class assignments?
 - getting to your seat before and after class and at break time?
 - in other ways?

2. Would it be helpful if your instructor provided you with any of the following:
 - written assignments?
 - time before class, after class, or both?
 - tapes of the lectures?
 - an aide or interpreter for tests?

3. For your comfort and safety, what special needs do you have that your instructor needs to know about?

4. If you could say anything at all to your instructor about how the instructor can help your learning experience be meaningful, what would that be?

5. If you could say anything at all to the other students about how they can help your learning experience be meaningful, what would that be?
