

## What Do I Want to Do When I Grow Up?

**Directions:** Many of you may know where you want your lives to go and why you've enrolled in college. Others may still be searching. Are you sure the major you've chosen is the right one for you? As you've been exposed to other areas, are you having second thoughts about your major? Use the spaces provided to answer the questions to help clarify your motivations for enrolling in college and where you want to take your life. After all, you have the rest of your life before you.

1. What were the reasons you began or returned to college? \_\_\_\_\_

---

---

2. Are these reasons still valid? Why or why not? What has changed, if anything?

---

---

3. What courses have you taken that you liked a lot more than you thought you would?

---

---

4. If you could write your own curriculum, what courses would you take? \_\_\_\_\_

---

---

5. If you could write your own curriculum, what courses would you omit? \_\_\_\_\_

---

---

6. What conclusion might you draw from looking at your answers? \_\_\_\_\_

---
