

MUSEUM TOURS AROUND THE WORLD

Answer the questions for each museum you visit.

Museum _____

1. What city and country is this museum located in? What language or languages are spoken here?

2. Who designed the building, and in what year was it completed? What style does it demonstrate?

3. What are some of the museum's special design features? For example, are there gardens or murals that adorn the building? Are there any special public spaces in addition to galleries and exhibition halls?

4. List three or four of the galleries or exhibits you visited within the museum.

5. Identify your favorite work. Write down the artist, title, and date, if known. What else have you learned about this artwork or artifact? Where was it created? When and how did the museum obtain it?
