

CULTURAL TREASURES OF THE WORLD

Choose four artworks or cultural treasures and answer the questions below for each:

1. Name the cultural treasure and describe the materials used to create it.

2. What cultural tradition or practice does this artwork express?

3. If the artwork has a function, how is it used?

4. Why do you think this particular treasure is valued by its culture?

5. What can you learn about the culture from the artwork that you did not already know?

When you have finished your worksheet, choose your favorite cultural treasure and, if possible, download the image and print it out. Write a paragraph describing the treasure, the culture that values this work, and why you like it.
