

ACTIVITY WORKSHEET**Impacting the Environment**

- ✓ Environmental problem our team will address:

- ✓ Specific steps we will take in attacking the problem (check one or more and list your ideas):

- Taking a hands-on approach (for example, starting up an anti-littering campaign or actively organizing a community recycling drive)

- Raising the consciousness of others

- Making our voices heard in government (for example, via a petition or public rally)

- Other:

ACTIVITY WORKSHEET

Impacting the Environment

✓ Resources we can turn to for assistance and support (give specific names):

■ People (for example, teachers, counselors, adults at home):

■ Local agencies or chapters of federal or international agencies:

■ Other:

✓ Realistic time frame for achieving our goal:

✓ Intermediate changes we can expect to see along the way:
