

Night Herding Song

American Cowboy Song

1. O, slow up do-gies, quit rov - ing a - round. You have wan - dered and
tram - pled all o - ver the ground. O, graze a - long do-gies and
feed kind - a slow, and don't al - ways be on the
go. Move slow, lit - tle do - gies, move slow.

2. I've circle-herded, trail-herded, night-herded too.
But to keep you together is all I can do.
My horse is leg-weary and I'm awful tired,
If you get away, I will be fired -
Bunch up, little dogies, bunch up.

3. O, say little dogies, when you gonna lay down,
And quit this forever a-shifting around?
My limbs are weary and my seat is all sore,
Lay down like you've laid down before -
Lay down, little dogies, lay down.
