

Glencoe Curriculum Portfolio Activities—Unit 5

Language Arts 1

Write a newsletter article about a cool sport.

Close your eyes for a minute and imagine that you are the world’s best athlete in a particular sport. What sport would it be? Why would it be that sport? What is it about that sport that makes you want to do it? Read about the extreme sport of in-line skating in the article “Going to the EXTREME: Young daredevils zip into mainstream.”

Write your own newsletter article about the sport you have chosen. Make the article so exciting that others will want to participate in the sport, too. Be sure to include some background information about the sport. Also include where it is played and any safety precautions that must be taken to participate in the sport.

Key the article into a word processor. Format it according to the directions in your textbook. Add some photos if you like. Spell-check and proofread your article.
