

## Glencoe Curriculum Portfolio Activities—Unit 8

### Language Arts 2

#### Create a database of books.

What kinds of books do you like to read? Do you like adventure or romance or historical fiction? Maybe you like horror stories like Stephen King's "Sorry, Right Number" in *Glencoe Literature: The Reader's Choice*. Make a database of your favorite books. Be sure to include the author and the kind of book (adventure, horror, etc.).

Key the database into a word processor. Follow the formatting guidelines presented in your textbook. Spell-check and proofread the information in your database.
