

Glencoe Curriculum Portfolio Activities—Unit 9

Language Arts 2

Create a flyer advertising Earth.

Have you ever wondered what it might be like to live on another planet? In the story “If I Forget Thee, O Earth” in *Glencoe Literature: The Reader’s Choice*, Marvin, who lives in space, sees Earth for the first time. How would you describe Earth to someone who had never before seen it? What features would you describe? Design a flyer advertising Earth to someone from a distant planet. Tell why Earth is a good place to be.

Key the flyer into a word processor. Format it according to the directions in your text. Search the Internet for images that will make your flyer more interesting. Spell-check and proofread your flyer.
