

CHAPTER 5 POPULATION BIOLOGY

Get the Big Picture

Find the red and blue headings in Chapter 5 of your textbook. Use the red headings to fill in the rectangles in the idea map below. Use the blue headings to fill in the ovals. Some of the rectangles and ovals have been filled in for you.

5.1 Population Dynamics

5.2 Human Population Growth

Each statement below goes with one of the red headings in the rectangles above. Write the letter of each red heading on the line in front of the statement it goes with.

- _____ Scientists, called demographers, study the growth trends of populations.
- _____ A limited food supply can slow down population growth.
- _____ Many populations are controlled by prey-predator relationships.
