

**CHAPTER 1 BIOLOGY: THE SCIENCE OF LIFE**

**Get the Big Picture**

Find the red and blue headings in Chapter 1 of your textbook. Use the red headings to fill in the rectangles in the idea map below. Use the blue headings to fill in the ovals. Some of the rectangles and ovals have been filled in for you.

Each statement below goes with one of the red headings in the rectangles above. Write the letter of each red heading on the line in front of the statement it goes with.

- \_\_\_\_\_ All living things, even humans, need one another for survival.
- \_\_\_\_\_ All organisms have structure and share traits with other organisms.
- \_\_\_\_\_ All life has form and function, and a balance with nature.
- \_\_\_\_\_ All life has a long history that resulted in a great diversity.
