

Chapter 11

Use with Section 3

REINFORCEMENT

● Seed Plants

Contrast the two major groups of seed plants by completing the table. Use information from your textbook.

	Gymnosperms	Angiosperms
Division(s)		
Characteristics		
Examples		

Study the diagram of plants. On the line under each diagram write whether the plant is a monocot or a dicot.

Use your textbook to answer the following questions.

1. What is a seed plant? _____

2. When in the fossil record do gymnosperms and angiosperms first appear? _____

3. What are some economic uses of gymnosperms? _____
