

Chapter 23

REINFORCEMENT

Use with Section 1

• Living and Nonliving Environments

Classify the factors in the picture as either biotic factors or abiotic factors by listing them in the correct column.

Abiotic Factors

Biotic Factors

Place the terms below within the circles. The term that includes all of the others should be in the outermost circle. Place the others in order until the smallest group is in the center circle.

population

ecosystem

community

organism
