

What is science?

Directions: Use the picture above to answer the following questions.

1. What do you observe about the way people are dressed in the picture?

2. What do you observe about the trees in the picture?

3. What else do you observe in this picture? _____

4. Why are these things happening in the picture? Make an inference about this.

5. Imagine that you see this picture when you look out your window. How could you test your inference?
