

America's Response to Terrorism

Directions As you view the video, keep in mind the following questions. After you have finished the video, answer the questions based on what you have learned.

1. What do you think President Bush meant when he referred to "faceless cowards" responsible for the 9/11 attacks?

2. What was the initial reaction of the rest of the world to the attack on America?

3. What are some things that ordinary people can do in response to terrorism?

4. What did Sen. McCain say about fear? What did Sen. Schumer say about New York's reaction to its challenge?
