

Digital Camera Rules

DO

1. Attend the digital camera use workshop and understand how to use the school's digital cameras.
2. Respect the camera. Always use the camera strap; always keep the camera in a safe place; always keep the camera dry.
3. Return the camera on the assigned due date.
4. Take appropriate pictures for the assignment.
5. Upload files to the correct file directory and respect maximum image file sizes.

DON'T

1. Use the camera to take photographs for purposes other than this assignment.
2. Lend the camera to any other person for any reason.
3. Invade another person's privacy by taking unwanted or inappropriate photographs.
4. Remove a camera without permission and signing it out.
5. Publish photographs taken with the school camera without written approval from the subject and teacher.
