# Un viaje en tren

## Antes de navegar

You and a group of friends are spending a month in Madrid. It's your job to plan three train trips, each departing from Madrid, to three different cities in Spain. Make a list of three cities you'd like to visit. (If you can't think of three cities, go back to the Interactive Map of Spain from Chapter 1, **Una exploración de España**, or refer to the map of Spain in your textbook, page 473, Texas Ed. page 505, 1A Ed. page 245, Texas Ed. 1A page 263.)
