Ayuda

Glencoe eCoach Spanish *¡Buen viaje! Level 1* interactive CD-ROM supplements the *¡Buen viaje!* Spanish program and allows you to practice Spanish both in and out of the classroom. It reinforces what is learned in *¡Buen viaje!* through a variety of fun and exciting games and activities, many of which contain audio and video components. There are also readily accessible grammar sections, verb charts, and dictionaries to help you along the way.

The eCoach Spanish has fourteen easily navigable chapters that can be accessed at any time by selecting one of the **Capítulo** buttons on the left of the screen.

Each chapter contains the following sections:

Objetivos that appear at the beginning of every chapter provide you with a list of clear expectations and goals for the chapter.

The six remaining sections of every chapter contain fun, interactive activities. Once you've selected one of these sections you can navigate its activities using either the numbered icons or the backward and forward arrows that appear at the top of the screen.

Every activity contains buttons in the bottom right corner that allow you to repeat the activity (**Repetir**), view the correct answers (**Solución**), and correct your own answers (**Corregir**).

Activities containing audio or video components have *Stop*, *Play*, and *Pause* buttons that allow you to end, begin, and freeze the audio or video. In addition, some activities have *Rewind* and *Fast Forward* buttons that allow you to repeat or skip through portions of the audio and video.

Some image-based activities have a magnifying glass that allows you to view an enlarged version of the image.

Vocabulario activities help you to learn and practice new vocabulary words related to the theme of each chapter. Many of these activities contain audio components to help you improve your listening and speaking skills.

Estructura activities allow you to practice putting your new words together to form coherent sentences in Spanish.

Conversación activities contain audio components of the conversations of speakers from diverse areas of the Spanish-speaking world. The activities allow you to apply your new vocabulary and structure skills to real-life situations and to continue to improve your listening and speaking skills.

Lecturas activities enable you to read and learn—in Spanish—about the fascinating cultures of the people who speak Spanish.

Assessment activities allow you to review what you’ve learned in the chapter.

Videotur activities contain video clips that take you on many adventures through the Spanish-speaking world to enhance what you have learned.

At any time while using the program, you have access to chapter games (**Juegos**), grammar explanations and verb charts (**Gramática**), Spanish-English and English-Spanish dictionaries (**Diccionario**), and a link to Glencoe’s Web site at www.glencoe.com (**Web**). You can also receive a session report to track your performance (**Resultados**), as well as print your session report, activities, and reference materials (**Imprimir**).
